Source	Reviewer	Rating	Maturity	Current (Release) Cost
eRobertParker.com #204 Dec 2012	Mark Squires	87	Drink: 2012 - 2017	

The 2010 RESERVA ALENTO "ADEGA DO MONTE BRANCO" is 40% each of Aragonez and Alicante Bouschet with 10% each of Syrah and Touriga Nacional, aged for 1 year in French oak after fermentation in tank. If comparing to the 2011 Tinto reviewed this issue, this 2010 Reserva adds depth and power and becomes a bit more serious. Nicely constructed, if not quite as charming and sunny, it is well balanced and graceful in its own right. This is not imported at this time. Drink now-2017.

This winery is Luis Louro's, son of Miguel Louro, who helms the family run operation Quinta do Mouro, one of Alentejo's great estates.

About Maturity and Drink Dates: Most reviews in The Wine Advocate include a period during which the wine should ideally be consumed. We express it as a range of years (Drink Dates) and we use that range to calculate a 'Maturity' for the wine as of the current date. Maturity values are: Young - the early drink date is in the future; Early - first third of the drink date range; Mature - middle third of the range; Late - last third of the range; Old - the late drink date is in the past.
